WORK EXPERIENCE

Product Manager | 2023 - Present

Tong Hua Asset Management (THAM)

In the dynamic role of PM, I was responsible for leading the full product lifecycle which included the following tasks,

- Analyse and comprehend fundamentals of the business.
- Conduct gap analyses to pinpoint and assess the business.
- Craft PRDs and Product roadmaps for structured planning.
- Design a UX/UI for the product approved by stakeholders.
- Managing cross-functional teams (Development, Data, and QA) to ensure quality and timely product completion.
- Developing a product to reduce daily operations by 80% and tracking growth using data analysis for further development.

UX/UI Designer | 2021 - 2023

Tong Hua Holding PCL. (THH)

Entrusted with the design and development of projects for the core and sub-businesses, my responsibilities include,

- Conducting research for a knowledge base webapp project.
- Crafting UI designs for the knowledge base webapp project.
- Designing websites for the business and sub-businesses.

Event Project Coordinator | 2020 - 2021

T.C. Exhibition Service (TCX)

Responsible for constructing event, which includes project planning, coordinating with clients, and managing suppliers.

Marketing Communication | 2019 - 2020

PetBacker App, Malaysia

Oversee marketing, which includes admin page, content for Thai users, app translations, and website/application ads.
